Name of months	Working Days	Chapter / Lesson Name	
April	23	ALPHABETICAL ORDER THE SENTENCES KIND OF SENTENCES	USE OLD PAGES OF THE BLANK COPY TO MAKE A COMIC STRUCTURE FOR WRITING THE STORY OF ANY CARTOON
May	09	SUBJECT AND PREDICATE	DRAW DIFFERENT EMOGIES SHOWING FACE EXPRESSION.
June	15	NEGATIVE SENTENCES INTERROGATIVE SENTENCES	<ul style="list-style-type: none"> ○ Split the class into two teams and give each team a colored marker. ○ If you have a very large class, it may be better to split the students into teams of 3 or 4. ○ Draw a line down the middle of the board and write a topic at the top. ○ The students must then write as many words as you require related to the topic in the form of a relay race. ○ Each team wins one point for each correct word. Any words that are unreadable or misspelled are not counted.
July	24	KINDS OF NOUNS NOUN GENDER	<ul style="list-style-type: none"> • Write 3 statements about yourself on the board, two of which should be lies and one which should be true. • Allow your students to ask you questions about each statement and then guess which one is the truth. You might want to practice your poker face before starting this game! • If they guess correctly then they win. • Extension: Give students time to write their own two truths and one lie. • Pair them up and have them play again, this time with their list, with their new partner. If you want to really extend the game and give students even more time

			<p>to practice their speaking/listening skills, rotate partners every five minutes.</p> <ul style="list-style-type: none"> • Bring the whole class back together and have students announce one new thing they learned about another student as a recap.
August	25	<p>PRONOUN</p> <p>KIND OF ADJECTIVES</p> <p>DEGREE OF COMPARISON</p>	<ul style="list-style-type: none"> ○ Stand in front of the class (you are Simon for the duration of this game). ○ Do an action and say Simon Says [action]. The students must copy what you do. ○ Repeat this process choosing different actions - you can be as silly as you like and the sillier you are the more the children will love you for it. ○ Then do an action but this time say only the action and omit 'Simon Says'. Whoever does the action this time is out and must sit down. ○ The winner is the last student standing. ○ To make it harder, speed up the actions. Reward children for good behavior by allowing them to play the part of Simon.
September	15	<p>ARTICLES</p> <p>VERBS</p>	<p>Each student will do some action in the class and few student will identify their action</p>
October	17	<p>TENSES SIMPLE PRESENT,PAST AND FUTURE.</p>	<p>Role play- this is a review activity that is perfect for wrapping up a lesson about one specific verb tense. With each verb tense, you can use this dramatic version of an acting game to really make the lesson stick with all of your students. Here, non-verbal acting is the bridge to consistent and correct English language use.</p>
November	22	<p>PARTICIPLES</p> <p>TYPE OF ADVERBS</p>	<ul style="list-style-type: none"> ○ Write out a number of sentences, using different colors for each sentence. I suggest having 3-5 sentences for each

You can have as many teams as you want but remember to have enough sentences to go around. ○
